

Combination Jackknife "A" & Single Ladders

An unusually versatile ladder with countless uses for both indoor and outdoor work. This combination ladder serves as a rugged single ladder - or can be easily converted into a sturdy "A" Type ladder with a double climbing side. Strong, heavy gauge steel locking device is fool-proof, and makes changeover easy and fast. Equipped with famous Duo-Safety Ladder Shoes for extra safety. See our [Price List](#) for current pricing.
