

DUO SAFETY LADDER CORPORATION

Combination Step and Extension Ladders

The 300 Series Combination Ladder is ideal for indoor fire fighting. In attics and other confined places, this sturdy, ruggedly constructed ladder can be quickly and easily changed from a step to an extension. Extra strong rails and rungs are typical of the heavy duty construction that means extra safety and service provided by this practical, versatile ladder.

Series 300-A

- 750lb Duty Rated
- 2 3/4" Channel Rail

SPECIFICATIONS

SERIES 300-A Aluminum
